Consent Form

Any medical or cosmetic procedure carries risk, complications and varied results as to the effectiveness of a particular treatment. The purpose of this document is to make you aware of the nature of procedure and its risks in advanced so that you can decide whether to go forward with any procedures/treatments.

PROCEDURES

Initially you will consult with the consultant to determine if you are a candidate for Body Sculpting Cavitation or other inch loss procedures. During this time you will have the opportunity to ask questions or voice concerns you may have regarding this treatment. If it is determined you are a candidate for any procedure, there will be a few preliminary steps consisting of: initial paperwork, measurements, pre and post treatment photos and suggested course of treatment. It is recommended that a client will need a minimum of 6 or more treatments for the therapy to achieve its desired effect. These treatment should be used in conjunction with a healthy diet and exercise. If you are not currently exercising you should consult a health care professional before beginning an exercise program to determine if your body is physically able.

RISK/DISCOMFORT

Our treatments are non-invasive. During treatment there should be no discomfort. If for any reason during treatment that the client feels discomfort due to warmth or any discomfort, treatment will be terminated. Client should report this discomfort to technician immediately. If client chooses to continue through any discomfort, it is at the client's own risk and provider assumes no responsibility. Procedures are recommended for anyone over 18.

BENEFITS

The potential benefit of this treatment is body contouring without surgery. Problem areas or excess pockets of fat can be targeted, however the most commonly treated areas are the stomach, hips, flanks, and thighs. In clinical trials patients have averaged 2-5cm lost from there stomach, hips, and thighs. These results do vary and no guarantee is implied or suggested that desired results will be achieved.

QUESTIONS

By signing below, you certify that this procedure has been explained to you and your satisfaction. Any further questions can be directed to a your therapist.

APPOINTMENT CANCELLATION POLICY

Dear Client,

We strive to render excellent care to you and the rest of our clients. Your care and treatment is a priority for us. We also ask that you respect your specialist's time and expertise as well.

In an attempt to be consistent with this, we have a Cancellation Policy that allows us to schedule appointments for our clients, with respect for your time, the next client's time, and the specialist's time.

Our policy is as follows:

We request that you give a notice **not later than 24 hours** prior your scheduled appointment in the event that you can not make it. If the client misses an appointment without contacting us, it is considered a missed or "No Show" appointment. Additionally, if a client is more than 15 minutes late for an appointment, it will be considered as " No Show" appointment, and that appointment will be rescheduled. Also, if you ~~miss more than 3 (three) a~~ppointments, we reserve the right to charge you a fee of $_____.

A $_____ non refundable deposit will be paid at time of making appointment and will be taken off at the time of the appointment.

If you have questions regarding this policy, please let us know, and we will be happy to clarify our policy for you.

I have read and understand the Appointment Cancellation Policy, and I agree to be bound by its terms. I am aware that my credit card will be charged for the missed appointment, and I agree to this terms.

I, _____, have received the copy of Cancellation Policy.
